

# FSOMA

FSOMA is an informed, quality Association looking at the needs of the Acupuncture profession locally and nationally. It is doing much to benefit the profession of Acupuncture and Oriental Medicine in Florida. In addition to the statewide projects that benefit all Acupuncturists in Florida, here are

## **DIRECT AND TANGIBLE BENEFITS EXCLUSIVE TO MEMBERS:**

- Receive FSOMA “E-Classifieds”: emails with job opportunities, practices for sale, and opportunities for space for rent. This is one of the most popular benefits of membership. Numerous practitioners have found positions, employees, places to rent, people to rent their space, and more, through this.
- Ability to place an ad or announcement in the FSOMA “E-Classifieds”: listing a job opening, used items for sale, a position you are looking for, a need for someone to cover your practice while you are on vacation, etc.
- Free Web Page – for the individual practitioner, and managed by the individual practitioner. Allows significant information about your practice. Members set up and manage their own page, and can use it, change it, modify it, however they choose.
- Discounts to numerous Conferences, Seminars, and CEU events nationwide. FSOMA negotiates with a wide variety of Educational providers to discount registration fees for current FSOMA members.
- FSOMA Members receive a discount on a CE Broker Subscription
- Discounted Malpractice Insurance for FSOMA members is available from Schlitt Insurance Services, a long standing FSOMA Business member and long standing supporter of FSOMA activities and events. They also offer numerous other types of insurance, including professional Liability Insurance, and Medical Insurance.
- FSOMA provides a significant discount to its members that attend its Conference.
- Discounts on products and services by numerous companies, FSOMA members only. This includes the widely popular personal account with Office Depot. Check the Members section of the FSOMA website for current information and links.
- Professional Business Model Panels throughout the State – Free to FSOMA members -- to help AP’s and Students build and maintain a successful practice.
- FSOMA Journal – a professional newsletter that provides information on current Legislation, Education, Events, Notices, Case Studies and Clinical articles – all to help members stay current on challenges, changes, and milestones in the profession.
- An award winning website where you can find most information relating to the Acupuncture profession. [www.fsoma.com](http://www.fsoma.com)
- Access to FSOMA Board meetings. Most meetings are in person, some by phone.
- Access to Minutes of FSOMA Board meetings.
- Ability to vote on candidates for office as Board of Directors.
